

## Objective

The purpose of the PNCFA Sponsorship program is to help grow our association and in turn to allow our board to offer more benefits and programs to the participating members. Some of the benefits afforded to our members are:

- ◆ Scholarships—One \$ 1000.00, two \$ 500.00 (awarded to individual firefighters).
- ◆ Representation and voice to State Associations: N.C. State Firemen's Association and N.C. Association of Fire Chief's.
- ◆ Legislative updates, networking opportunities, forums, and educational opportunities.
- ◆ Quarterly meetings (January, April, July and October). Meetings held throughout the Piedmont district.

Each year the association coordinates a golf outing to help raise funds to sponsor burned children to attend Camp Celebrate at the Victory Junction Gang Camp in Randleman, N.C.

Vendor sponsorships provide a mechanism for vendor networking, workshops and trainings for association members.

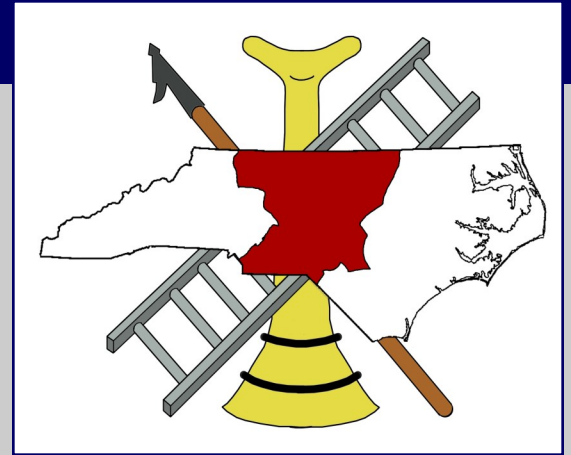

By working together association members have the ability to acquire like services and /or equipment creating more consistent fire and life safety operations.

## Who We Are

The Piedmont N.C. Firefighters Association (PNCFA) was formed as an extension of the North Carolina State Firemen's Association to allow for information sharing and representation on the local level. Our mission is to exchange ideas, share information on the local level, and support the fire departments and firefighters in the Piedmont Region (District 2) of N.C. Quarterly meetings share information, make general reports, provide educational opportunities and give updates to the membership in attendance. The Executive Board is charged with making sure our general membership is represented in both the North Carolina State Firemen's Association, and the North Carolina Association of Fire Chiefs boards on a state level.

The Executive Board is also charged with making sure the funds are available to the participating membership for scholarships, educational opportunities, and day to day operations of the PNCFA. The quarterly financial statements are evidence of a thriving and healthy association.

## Counties in Piedmont District 2

There are approximately 400 fire departments in the Piedmont District 2 Region. The Piedmont Region is also split into a North and South Region. Each sub-region is represented on the Executive Board by a Regional Director
