Dear Piedmont NC Firemen's Association,

Thank you for your support of the Phoenix Society for Burn Survivors. Your recent contribution in the amount of \$500.00 for World Burn Congress 2008 will truly make a difference to those whose lives have been touched by a burn injury. We very much appreciate your commitment to help make this a successful and life changing conference for burn survivors and their families.

The World Burn Congress provides burn survivors, families, caregivers, health care providers and the fire service, the unique opportunity to learn and share information about burn injuries, support programs, coping strategies, prevention, and advances in burn treatment. Most importantly, World Burn Congress creates the forum for burn survivors and their families to make connections and to share with other survivors.

By donating to the Phoenix Society's World Burn Congress, you are helping to ensure the future of this great event and the continuation of its life changing effects. We appreciate your patronage and support of burn survivors. If we can help you in any way, please feel free to contact us.

Sincerely,

Amy Acton
